Schedule your exams

Arizona uses a national-based exam through the National Interstate Council of State Boards of Cosmetology. Arizona also uses a third-party organization, PCS, to give the exams.

1. Register online with Virtual Inc. (PCS) to take the examination.
2. Click "Applicants & Candidates"
3. Click "Cosmetology & Barbering"
4. Click "Arizona"
5. Read the instructions and information on how to create an account and register for your exams through PCS.
6. Pay \$177.00 to Virtual Inc. for both the written & practical exam.

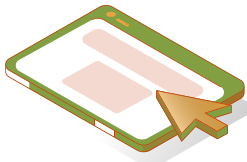

Virtual Inc. will notify you by email of the examination date and give the instructions on scheduling the written exam.

4. If you're under 18 years old, proof of high school education
5. Proof of being at least 18 years old (driver's license)
